

OXC-1617

27 APR 1961

MEMORANDUM FOR : Deputy Director (Plans)

SUBJECT : OXCART Cover Plan

1. Forwarded, herewith, is the latest effort in the development of an OXCART Cover Plan.

2. I draw your attention to the fact that the approach taken in this paper differs from those previously prepared in that a concentrated effort is made to develop a cover for the site to which the mission vehicle can eventually be more logically introduced with the least amount of suspicion.

3. This particular draft has been reviewed by all interested components of this Division. No attempt, however, has been made to solicit the assistance of other agencies, as required under the recommendations contained in this paper.

4. Your observations and comments would be most helpful. Any suggestions you may have with regard to outside Agency coordination would also be appreciated.
